"About two years ago, after suffering for nearly two years from rheumatic gout, being able to walk only with great discomfort, and having tried various remedies, including mineral waters, without relief, I saw by an advertisement in a Chicago paper that a man had been relieved of this distressing complaint, after long suffering, by taking Ayer's Sarsaparilla. I then decided to make a trial of this medicine, and took it regularly for eight months, and am pleased to state that it has effected a

complete cure. I have since had no re-turn of the disease."—Mrs. R. Irving Dodge, 110 West 125th st., New York. "One year ago I was taken ill with inflammatory rheumatism, being confined to my house six months. I came out of the sickness very much debilitated, with no appetite, and my system disordered in every way. MILLINERY. No Department of Our Business

Has given greater evidence of the approval of the people than our Hat Store. We have revolutionized the hat trade of the city. Our custom is not confined to the cheap and medium grades. We have as fine hats as any fashionable hatter can show, but we don't charge an extra dollar or so for the privilege (?) of having a fashionable maker's name therein. Come in and we will show you that we can save you money and
